Student Safety

Parent reminder - It is important that all parents drop their students off at curbside. Do not drive through the parking lot and drop your students off to have them make their way to the crosswalk. This is extremely unsafe. If you are dropping off in the front of the school, please stay in the line of cars on and drop your children safely off at the curb. Reminder: Students may be dropped off at 7:45 am. (Please not earlier as there is no adult supervision.)

MEDICATION AT SCHOOL -

Any student who is required to take medication during the regular school day,

prescribed for him/her by a physician, must have on file in the school office the Medication Request form, signed by the parent **and** the doctor. The medicine is then stored and dispensed from the office. Students may not keep medicine in their possession. [Click here](#) to print the form.

REMINDER: No over the counter or prescribed medications may be at school unless the school has received the Medication Request Form completed and signed by the doctor and parent.
