WARRIORS BASKETBALL CAMP

Celebrating our tenth year of offering Warriors Basketball Camp here in the Bay Area, we are excited to announce our winter schedule for 2009-10. Since our inception we have conducted over 200 camp sessions with more than 15,000 youth participating. Our camp has quickly become the most popular and most recognized program in Northern California. Since the beginning, our philosophy and goals have remained constant - to give players of all skill levels and abilities the opportunity to improve their game in a positive playing environment with teamwork, sportsmanship and fair play being central to everything we do. Our high level coaching staff, led by Jeff Adedigo, Tony Melendez and Justin Williams-Bell, aims to help aspiring young players improve their skills and develop a love and passion for the game of basketball.

The winter schedule is highlighted by ten sessions at seven different locations throughout the Bay Area. A variety of sessions will be offered, including general sessions, future stars camps (ages 5-8) and specialty clinics held on the Warriors home floor at Oracle Arena. In addition to high quality instruction, all of our camps include two (2) free tickets to a 2009-10 Golden State Warriors home game. Our camp remains the only program in Northern California that brings players closer to the NBA game.
