Quail Run Elementary Families,

A BIG THANK YOU for all the generous donations to date. As of the end of our 1st trimester, QR’s Learning Fund Foundation has raised **\$99,000**. Please feel proud of yourselves because even during our state’s funding crisis and the harsh economic climate we are all currently experiencing – **YOU** have made a difference in keeping our key programs available.

Our funding goal this school year is a total of **\$139,000**. Below is a list of the funding details:

As you can see, we currently have a short fall of **\$40,000** to retain the programs for the rest of the school year. For those families that have not been able to donate or would like to donate more, your donations are still needed to close the gap. Any amount is welcomed and appreciated. A donation form can be accessed by clicking QRLF’s school web link <http://www.gres.srvusd.k12.ca.us/organizations/fund.html>

If you cannot contribute at this time, please note that there are numerous ways you can support. Please click onto QRLF’s school web link for more details <http://www.gres.srvusd.k12.ca.us/organizations/fund.html> (Click on Organizations / Learning Fund)

Your participation will keep our Quail Run children in: Art activities, Vocal Music concerts, Instructor Led Math & Reading Stations, Library/Media, 21st Century Technology and more!

If you have any questions or would like to be a part of the QRLF Team, please do not hesitate to email or call.
