Quail Run Elementary Families,

THANK YOU for your generous donations during registration, for your orders from the GiftWrap/Cookie Dough fundraiser, and for participating in the Escrip and Gift Matching Fundraising Programs. As of today, QR's Learning Fund Foundation has raised **\$89,730 as of 10/16/2009**. We are so appreciative of your generosity and support. Even during our state's funding crisis and the harsh economic climate we are all currently experiencing - **YOU** have made a difference.

Our funding goal this school year is a total of \$139,000. Below is a pie chart listing the funding details:

As you can see, we currently have a short fall of **\$49,270** to retain our key programs for the current school year. For those families that have not been able to donate, your donations are still needed to close the gap. Any amount is welcomed and appreciated. Please open the attached QRLF donor form that can be dropped off at the main office or slipped into your child's Thursday folder.
