Kindergarten Information Night

*Is The Time Right to Send
My Child to Kindergarten?*

We invite you to an orientation meeting for parents of prospective incoming kindergartners. A panel of teachers, parents and curriculum experts will discuss the district kindergarten curriculum and readiness issues. A short question and answer session will follow the presentation. Kindergarten teachers from each elementary school will be present to talk with you after the presentation should you have additional questions.

Kindergarten has dramatically changed over the past five years. Children are being asked to do more academically. The continuum of language arts, math, science and history/social science standards begin in kindergarten. As parents we want you to understand exactly what these expectations are so you can make the best decision for your children.

| For Residents of San Ramon | For Residents of Alamo and Danville |
|--|--|
| Tuesday, February 16, 2010 7:00 pm to 8:30 pm Coyote Creek Elementary School Multi-Purpose Room (8700 North Gale Ridge Road, San Ramon) | Wednesday, February 17, 2010 7:00 pm to 8:30 pm John Baldwin Elementary School Multi-Purpose Room (741 Brookside Drive, Danville) |
